Slocum Equipment Inc,
613 Slocum Rd
Saunderstown, RI. 02874

Dear John,

Thanks for your prompt installation of the GAT 5 Stage Washer system. Compared to what we have been doing for the past 20 years, I can't believe how easy it could/should have been. What a difference. The Dry Off Oven and the Curing Oven are also such great additions too, and are really doing just what was expected and more. The Powder Booths and Guns are perfect compliments to this system. Glad you and your installation team were here to install this equipment.

The smaller system out back that you just completed installing, is now operating and is by far better than we had expected. Infra red curing seems to be a great way to go for the small parts that are passing through the system.

Again, thanks for your "on time, on schedule, and on budget" completion of our new systems, it means a lot to have someone who knows what has to be done and gets it done.

Yours truly,

Gentry Clark
VP Treasurer
